DR. SWAYNE'S CELEBRATED FAMILY MEDICINES.

DR. SWAYNE'S COMPOUND SYRUP of WILD CHERRY TELL IT IN GATH-PUBLISH IT IN THE STREETS

OF ASKALON ! The greatest Medicine in the known world. OF all the cures that have ever been recorded. we may safely say the annals of medicine cannot furnish one to surpass this, which now stands as a living proof of the curability of CONSUMP-TION, even when life had been despaired of. Read this extraordinary case:

DECEMBER 25th, 1848. DR. SWAYNE-Dear Sir: Having contracted a severe cold, which settled upon my lungs, attenbreast, difficulty of breathing, I was attended by made to render his mests comfortable. physicians of the first respectability, but my symptoms become very alarming; there was an abscess formed in my lungs, and made its way thro' my side, and discharged large quantities of puss | DROVERS. externally, so that my physician thought the power or functions of one of my lungs were totally destroyed-therefore supposed the case entirely hopeless. This mournful state of things continned for a long time, until I was wasted and worn to a skeleton. I had tried a number of remedies. but all failed to do any good. But there still being a spark of hope left with me and my anxious about the 20th of April, open a house of enterparents, and having heard of the great virtues of tainment, for the accommodation of visitors to the your Compound Syrup of Wild Cherry, and its Sound. being approved of by physicians of the first eminence, I concluded to make a trial of it, and to my the hole in my side began to heal, and I am now happy to say, from a poor and almost hopeless skeleton, I have become healthy, and weigh more than I ever have. All my neighbors can testify to the above fact. ABRAHAM HUNSICKER, 2 miles from Skippackville, Skippack township,

Pennsylvania. Asthma of Eleven Years Standing, Permanently cured by Dr. Swavne's Compound Syrup of Wild Cherry, after all other remedies

CINCINNATI, February 19, 1847. Dr. SWAYNE-This may certify that eleven years ago last fall, I was troubled with the Asthma, which increased upon me in defiance of all the remedies I could hear of, until the year 1839-'40, when I was obliged to leave my native New England for a milder clime, which had the effect to mitigate my sufferings for three or four years, after which the disease increased until last winter. My sufferings were intense, almost beyond endurance, being obliged to sit up night after night, from inability to sleep in bed.

Last Fall I felt the symptoms earlier than usual in the season, but hearing that Dr. Swayne's Compound Syrup of Wild Cherry was a sovereign remedy for Diseases of the Lungs, I immediately ST. MAPK'S SCHOOL, Raleigh, N. C. commenced its use, and the result was almost immediate relief. For the last six weeks I have not felt the least symptoms of the Asthma, and feel confident that I am well of it, and that I have been

cured by the above named medicine. Yours respectfully, J. W. KNIGHT, Walnut street, between 3d and 4th.

Important Caution -- Read! Read! There is but one genuine preparation of Wild Cherry, and that is Dr. Swayne's, the first ever offered to the public, which has been sold largely throughout the United States and some parts of Europe; and all preparations called by the name of Wild Cherry have been put out since this, under cover of some deceptive circumstances, in order to give currency to their sales. Each bottle of the genuine is enveloped with a beautiful steel engraving, with the likeness of William Penn thereon; also Dr Swayne's signature, and as a further security, the portrait of Dr Swayne will be added hereafter, so as to distinguish his prepa-

rations from all others. Swayne's Celebrated Vermifuge!

ful for a long time, and it is universally acknowledged by all who have tried it to be far superior (being so very pleasant to the taste, at the same time effectual,) to any other medicine ever employed in diseases for which it is recommended. It not only destroys worms, but it invigorates the whole system. It is harmless in its effects, and wasting child, it will carry relief joy, and thank- with as the law directs. fulness; to all who are suffering from the diseases for which it is prepared, it offers a speedy res-
